Recap of April & May at 2313...

Operation  Smile

On May 14, 2015, our President attended the 13th annual **New York Smile Event**, commemorating the more than 200,000 surgeries performed, up to date, for underprivileged children around the world with a cleft lip and/or cleft palate. The event was hosted by Kate Walsh with special guests such as Eli Manning and Miss Universe. *Johnson & Johnson* was awarded along with our top executive, Barbara Majeski. No surprise, she challenged *Johnson & Johnson*, right there on stage, to match us if we raise at least \$500K on our *Day of Smile, June 6th, 2015!!!*.
