FEBRUARY * MARCH

2016

Upcoming Events at 2313!!!

2313 just got word that this year we will be traveling to Dallas, Texas for a weekend of learning and fun at this year's National Conference. This conference is held to honor top leaders in the business across the country.

Even though this Michigan winter has been pretty mild, there is nothing better than a trip to paradise. With that being said, we are anxiously awaiting this year's annual **R&R** conference that will be held in the beautiful Punta Cana, Dominican Republic.

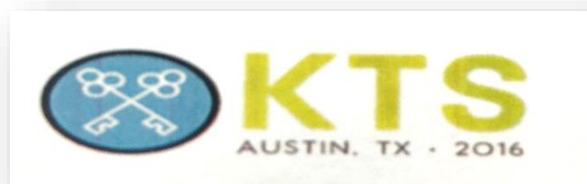

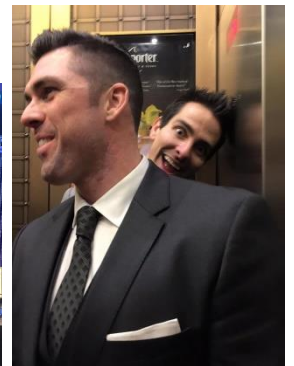

On April 24, 2016, we will be attending the Spring Midwest Leaders Conference in Chicago. Top performers will be recognized and we look forward to hear from some inspiring leaders in the business.

Quickly approaching is our annual *Day of Smiles*. We have partnered with Operation Smile to help raise money to fund relatively inexpensive surgeries for children in 3rd world countries who were born with a cleft lip and/or cleft palate. This year our Day of Smiles will take place on Saturday, June 25, 2016.

Recap of February and March at 2313...

Keys to Success 2016!

On March 4, 2016, across the country, our company wore **BLUE** for Barb Majeski. Barb, a top executive in the business, who was recently diagnosed with colon cancer. The month of March is colon cancer awareness month and our team is proud to support Barb in her fight by sporting the color **blue**.

Let it snow! Perks of moving into management allows Ken to go on his annual trip to Utah to ride the slopes "Work hard, play hard" is a lifestyle and mentality that he lives.

This year our very own Stefanie was a part of a very special group of individuals to take a week trip to Bolivia. She was able to experience, hands on, the miracle surgeries that are performed on children with cleft lip and/or cleft palate that would not be able to afford them if it weren't for an amazing program such as Operation Smile. She said that this trip was one of those life changing experiences with a roller coaster of emotions and she is looking forward to rallying the team together to work on some serious fundraising!!
